Super Team Competition

This year at Regional Championships we had a Super Team Competition. The criteria was the top 3 scores on each event for each Level 4-10 regardless of division or age. Because we had to wait until session 10 to tabulate the scores the banners were given to the coaches during session 11 (Tech Sequences). The results were as follows.

CLUB	Score
1) Surgent's Elite NJ	1141.45
2) United Gymnastix MD	973.40
3) Apollo VA	953.25
4) Stumpf's NY	949.00
5) Centre Elite PA	802.00
6) Preston MD	768.35

Congratulations Clubs for your contribution to Region 7 Gymnastics.
